Dear Parents/Carers,

## Meadowside Remote Learning

Remote Education continues to improve and evolve at Meadowside. We have had excellent responses to the Parent Survey of Our Remote Education Offer, with lots of positive and constructive comments. The SLT have analysed the survey and discussed comments further with teachers from all year groups. A summary of the survey will be available on the school's website next week. We intend to repeat this process at the end of this term.

### Spring Term Road Map
